Closed circuit cooling towers

Options and accessories

Basin heater package

Our factory-installed heaters keep the water temperature at 4°C and act as a simple and economical **antifreeze measure for the basin water**. The heater package includes the **heaters**, a **thermostat** and a **low level cut out switch** to protect the heaters if the water level declines excessively. Standard electric heaters can handle ambient temperatures down to -18°C.

Our factory-installed heater packages

- help maintain your system year-round
- enhance your equipment reliability
